

**A JACKET and a PEN
saved the day**

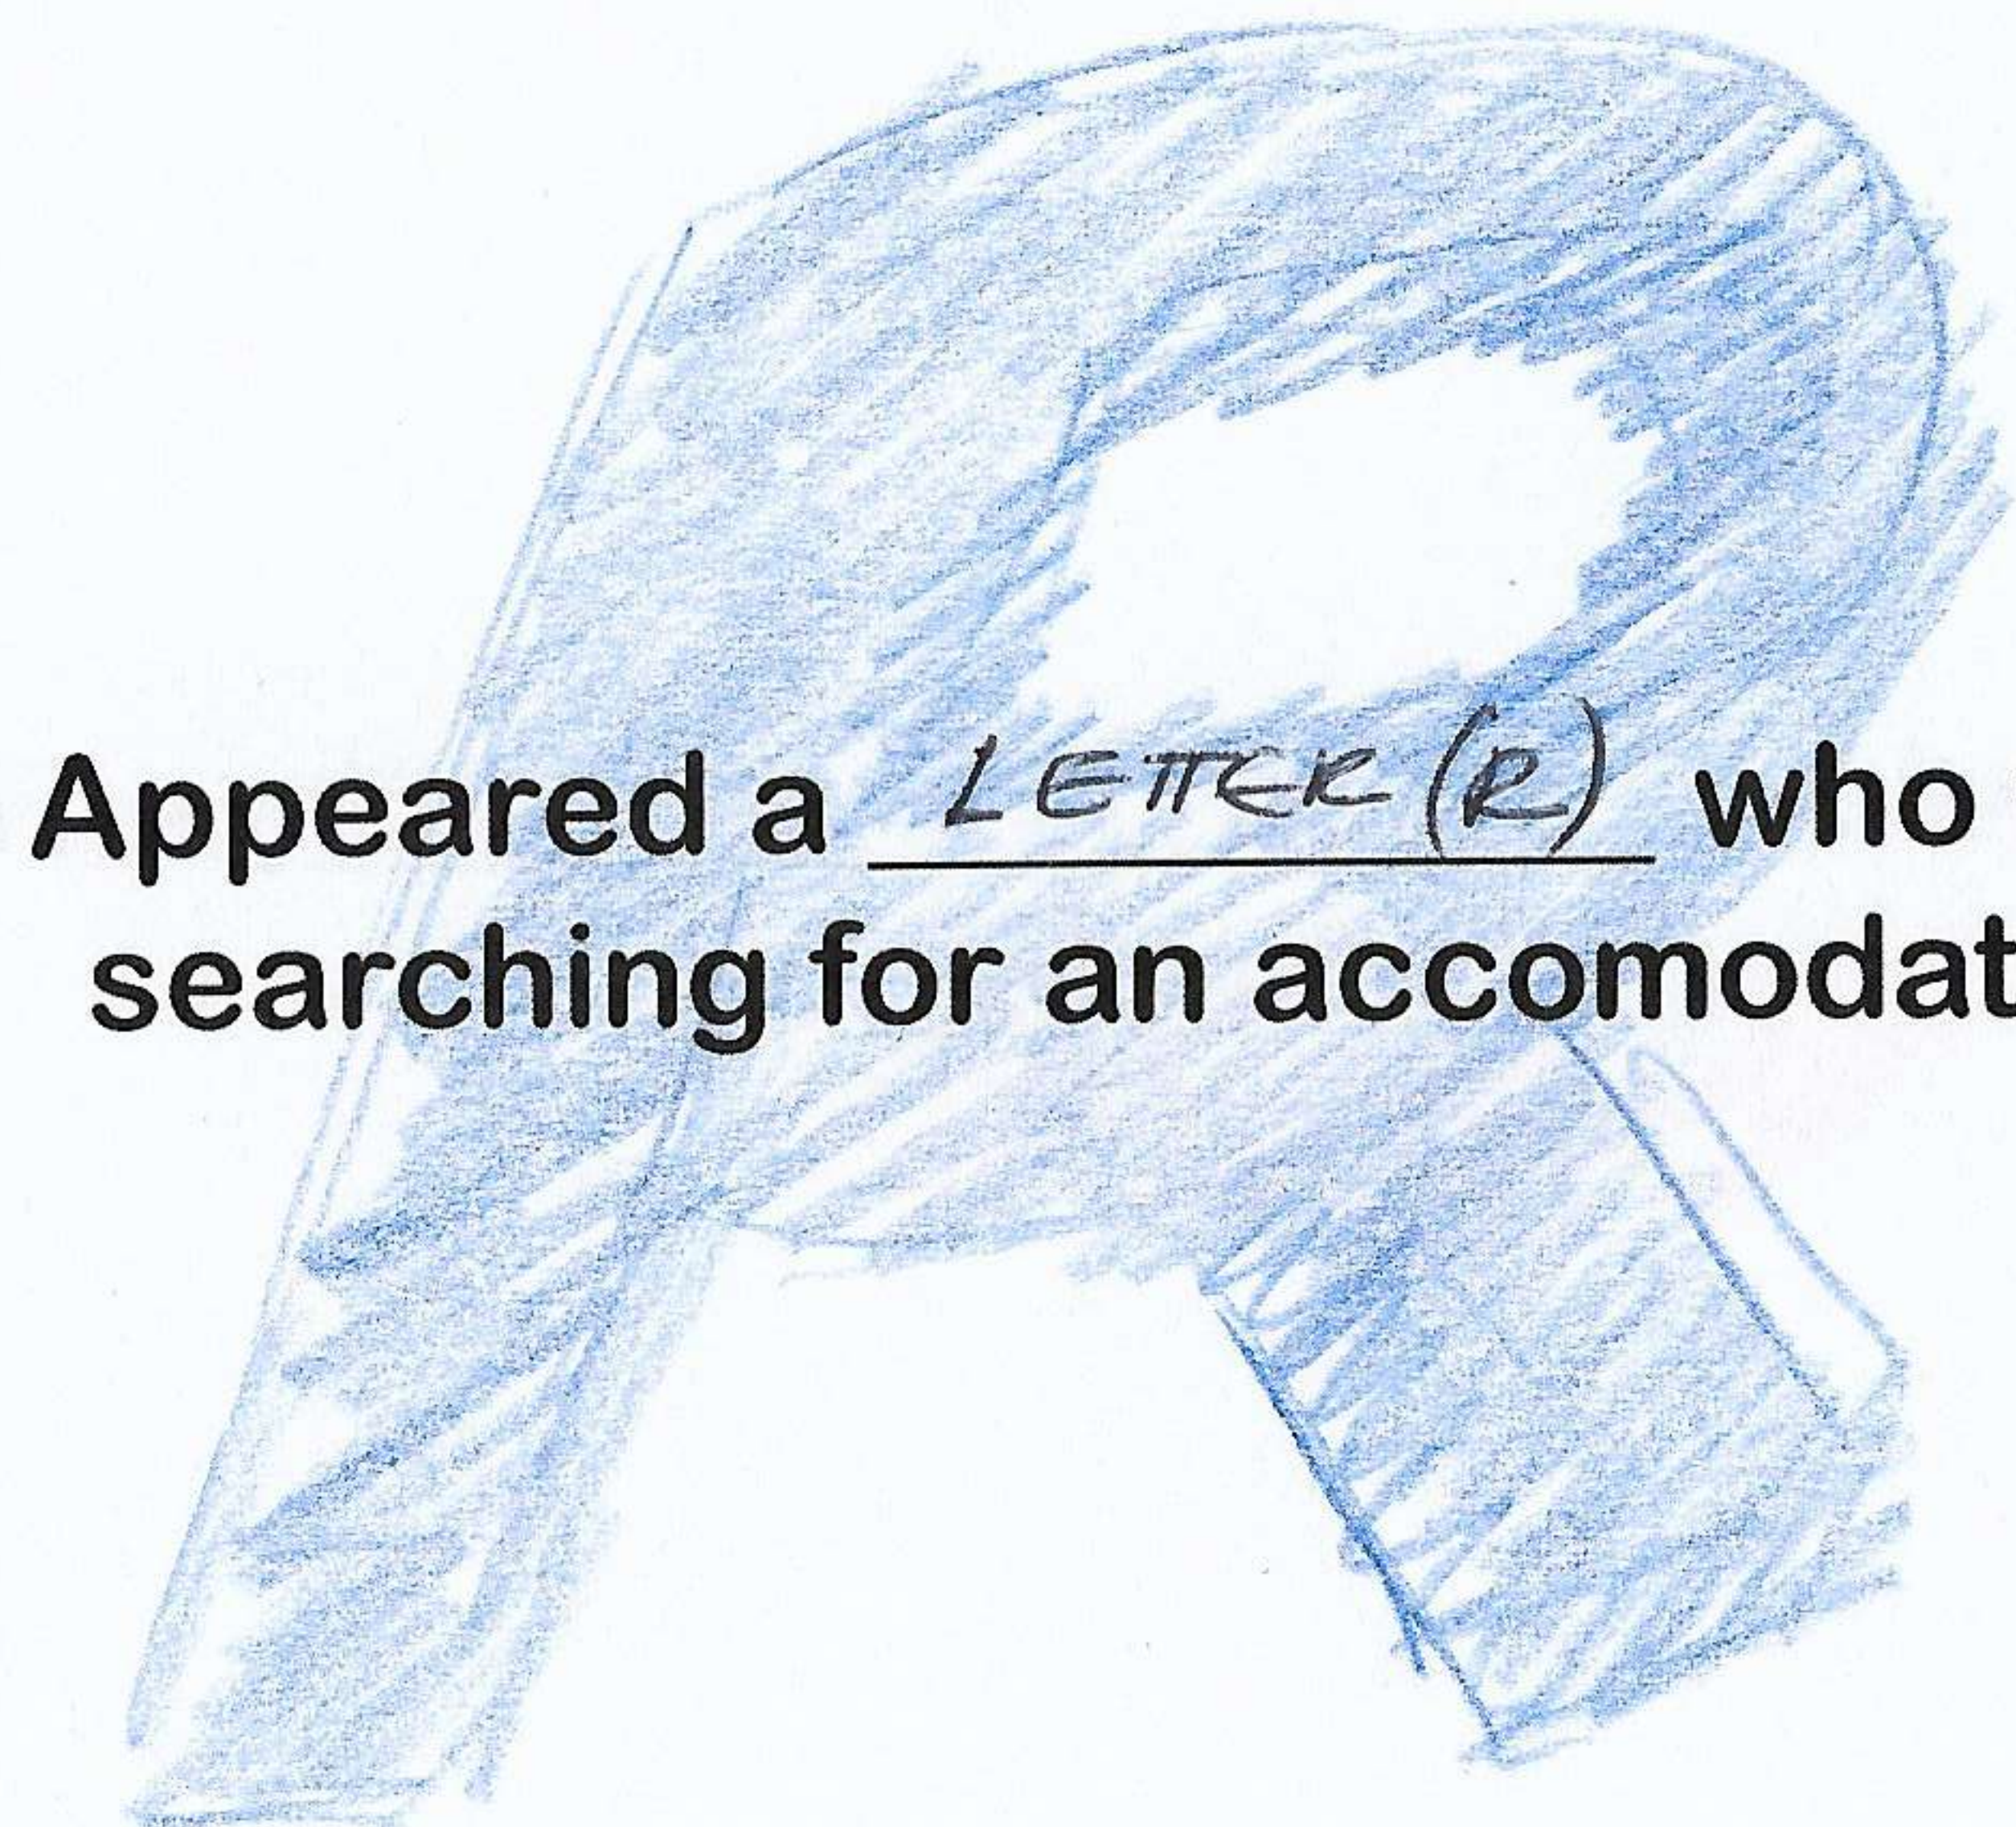

**A generative story workshop about housing
problems in the Netherlands as part of an ongoing
Masters research.**

Created by Clara Gradel and Jara van Teeffelen

October 2021 at Mediamatic

Printed in Rotterdam at the Piet Zwart Institute

On a SUNNY DAY

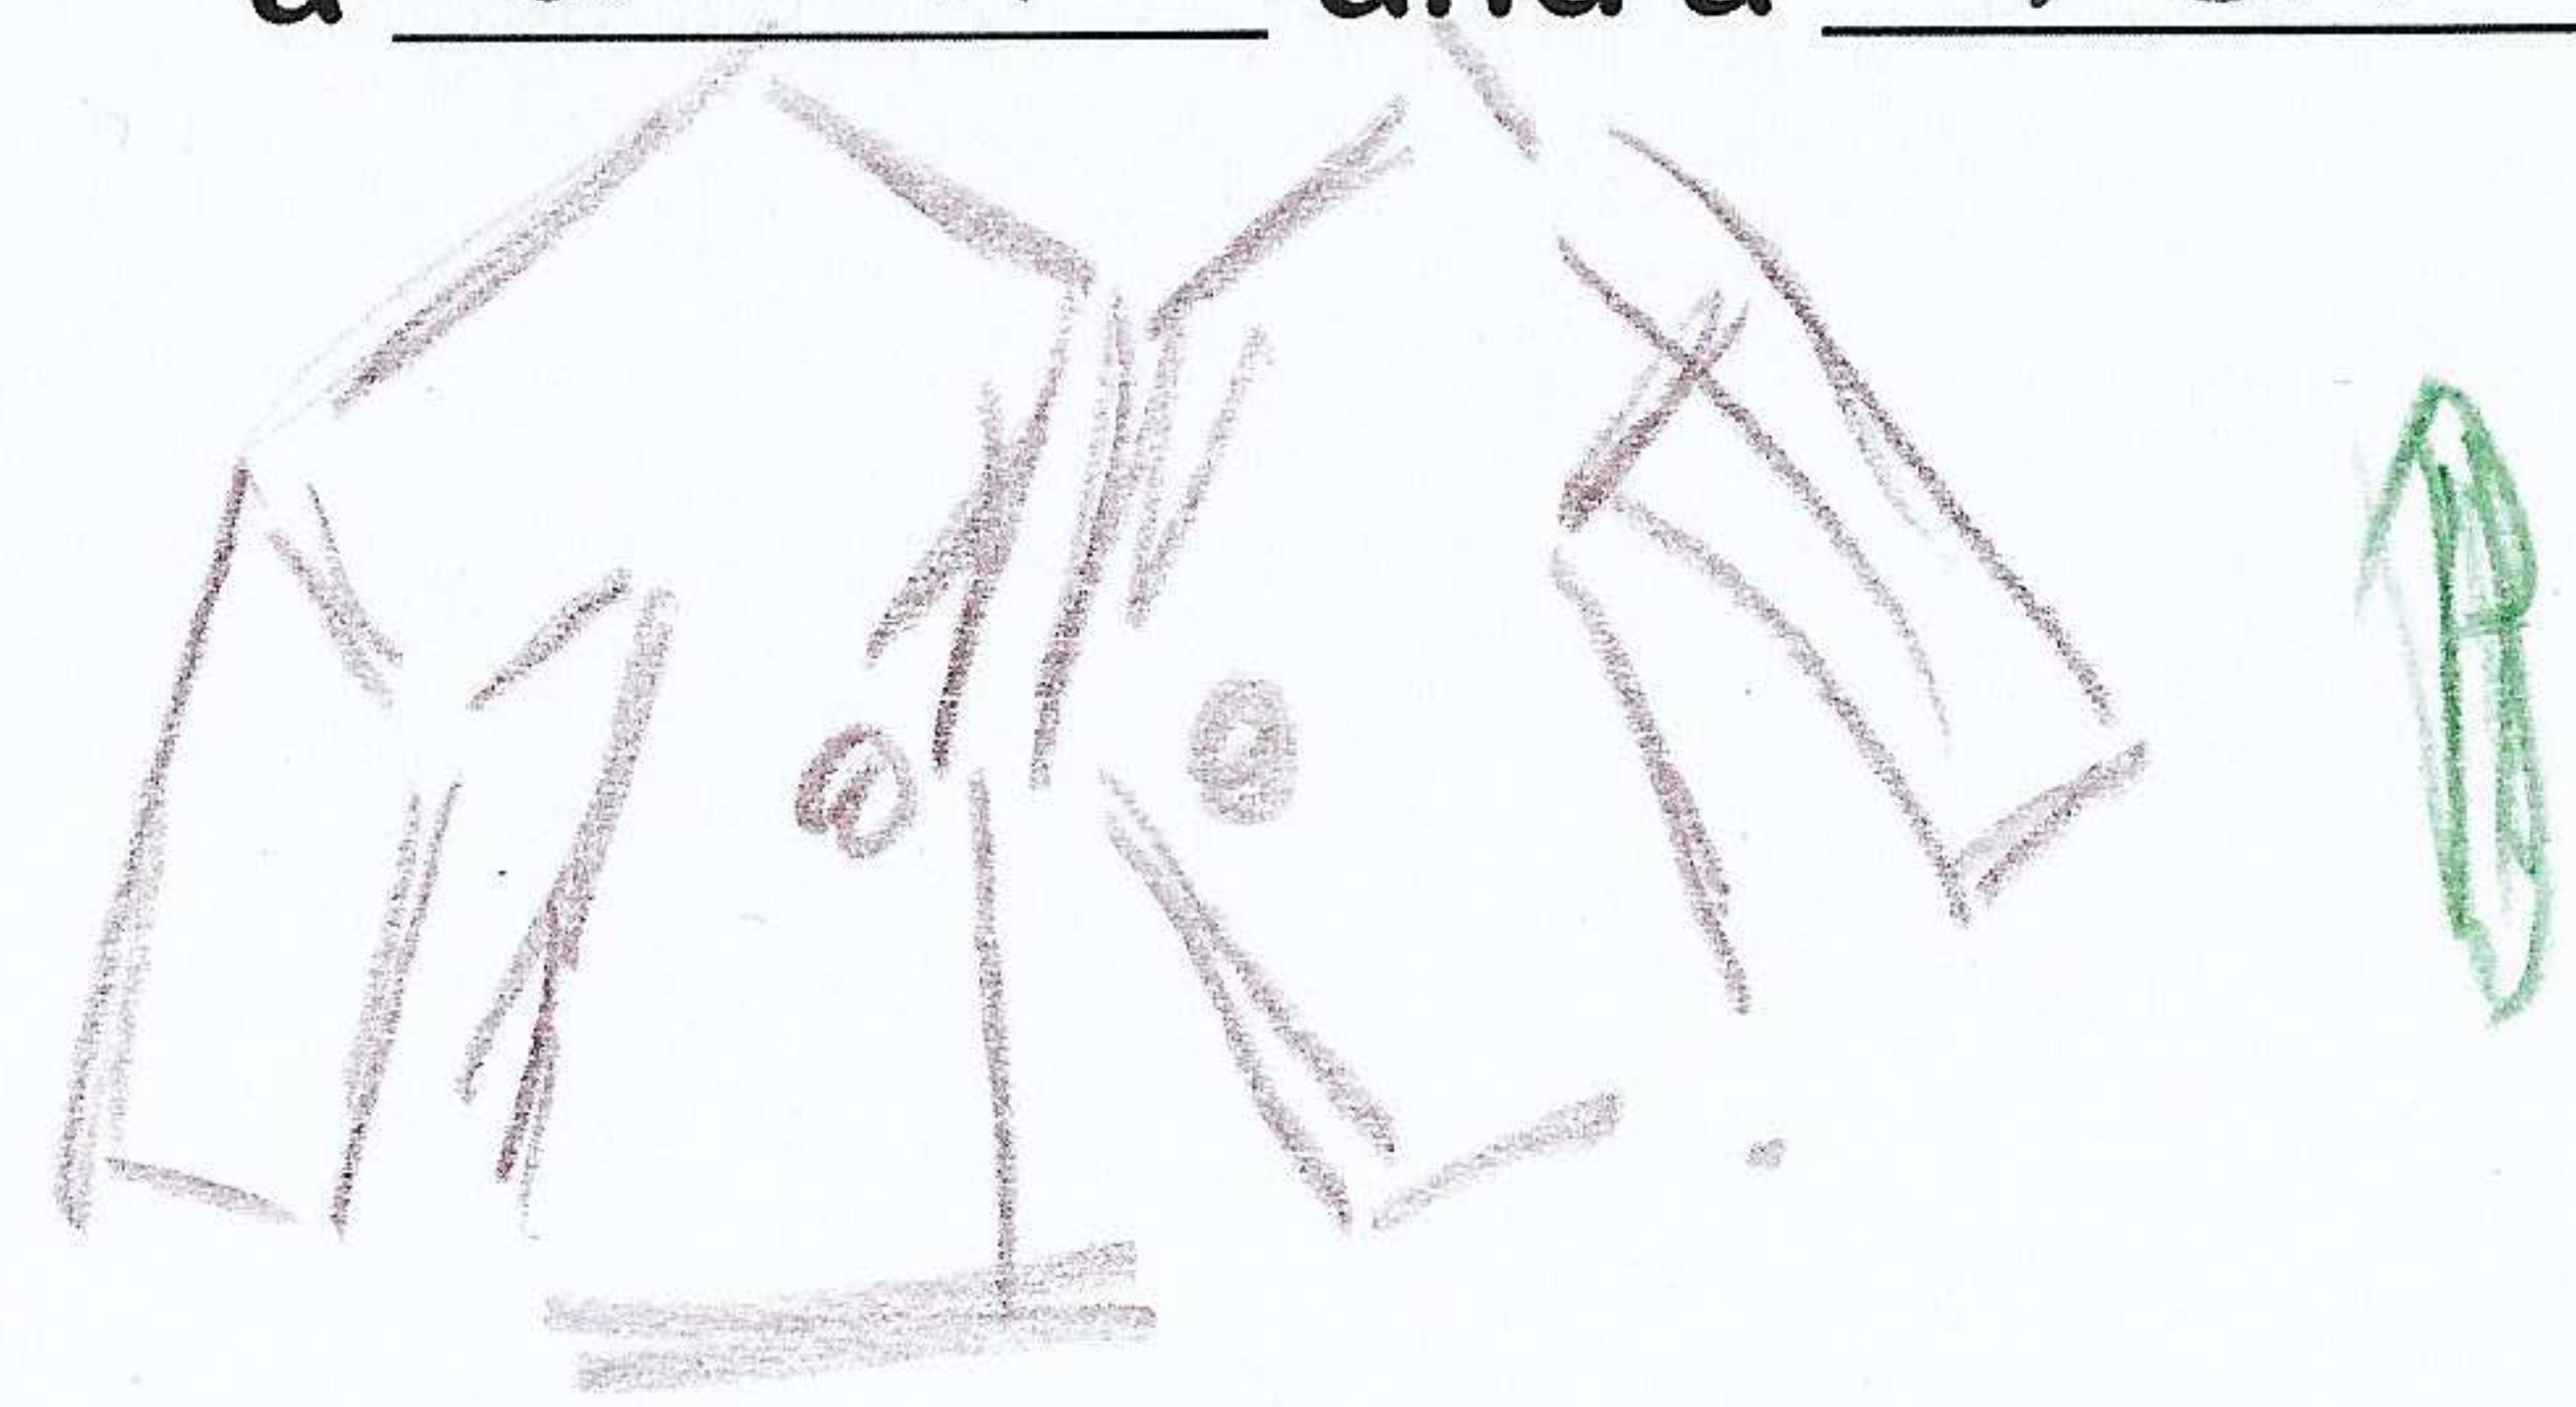

Appeared a LETTER (R) who was searching for an accomodation

The DUPLEX had to be located
in MARIP

The Butter had to be located

They had brought with them
a JACKET and a PEN

But the LETE R (12) only found
GIRLS ONLY places

But the letter (r) only sound
FIRST'S ONLY piece

The JACKET and the PEN
could help the LETTER (R)

The JAC-T and the PEN
could help the team (R)

It turns out the PEN could
WRITE & SCRATCH

It prints out like from a couple
of pages & scratch the word
"ONLY"

So the LETTER (K) used that to

SCRATCH THE WORD

"ONLY"

GIRLS
~~ONLY~~

So the letter (R) could then live in
the duplex in Mars
with other
girls
happily

The LETTER(R) could then LIVE IN
THE DUPLEX
IN MARS
WITH OTHER
GIRLS
HAPPILY

THE LETTER (R) DOES NOT TAKE IN
THE DOUBLE
IN MAKE
IN THE
THE ONLY

G G G G G G
G R G G
G G G G G
G G G G
G G

And so ONLY THE LETTER (R)

& GIRLS CAN BE
FOUND IN MARS.
