I hate my mom the most of the time ?

Pliiz i really need help. My relationship with my mother is soo horrible. We fight all the time because she wants me to be just like her and and i hate that , i would die if i was her , she's weak and weird and soo relegious , she thinks i'm not deep and i'll go to hell just because i love celebrities and want to be one of them. I'am a good girl (i don't do drug, i'am doing well at school. I don't drink or have sex with boys so far because i'am young) but she keeps telling me i'am bad and god hates me (i'm still not feeling the thing they call relegion) !!!! She is soo nervous and angry . She used to be nice but when her mom died 5 year. ago she got sick (montally) and started acting weirdo !!! She thinks i have to be the same girl she was, she doesn't respect my big dreams and she's jealous because Oprah is my idol and not het ! In front of people she's the best mom ever but when we're alone she's the worst. My friends think she's so cool that's because they never get to know her. My father blames me , like i'am the devil and she's the angel ! No one can understand my situation :(! They say i need to respect and love my mom but she must do that too right ?
