Man murdered wife for changing Facebook status to 'single'

How social networking is changing behavior

How social networking is changing behavior

Facebook® helps you connect and share with the people in your life. Now, even if they are not your friends and you don't know them, you can still read peoples recent posts (based on their own words)

less than a minute ago

♀ **Korene Kay Wagner** I want to thank Erbs and Gerbs last night for feeding me, getting my delicious Tullius with extra cheese and (**yes**, with roast beef) putting avocado on my sandwich instead of nasty mayo. The blanco chicken chili was delicious. It helped my long school day and got rid of the gut rot from Jeff and Jim's good tasting Mediterranean pizza that made me sick all day at school...
