

Do we have a responsibility??

37% profit!!

I have to read that

is knowledge a privilege??

What is IIR

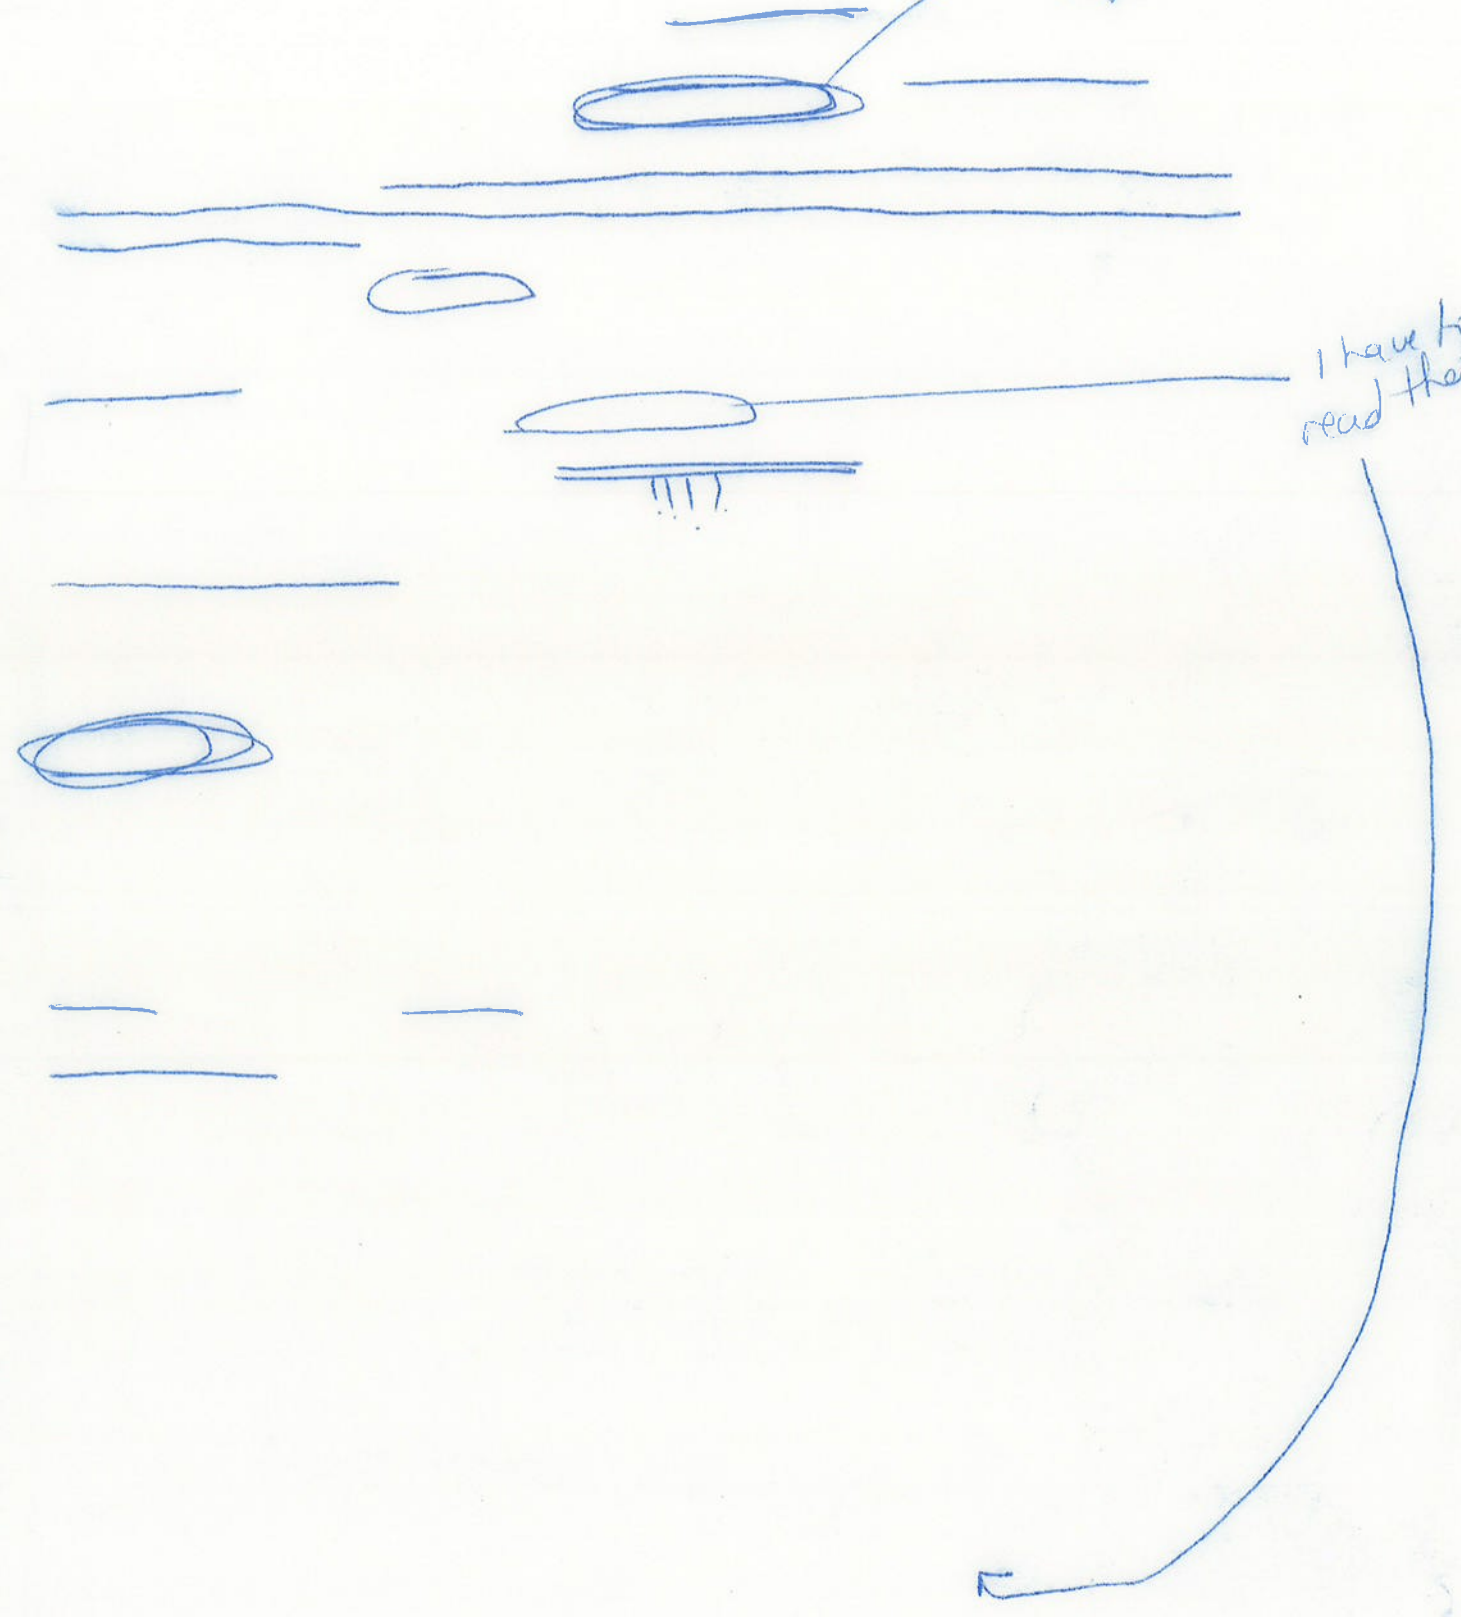

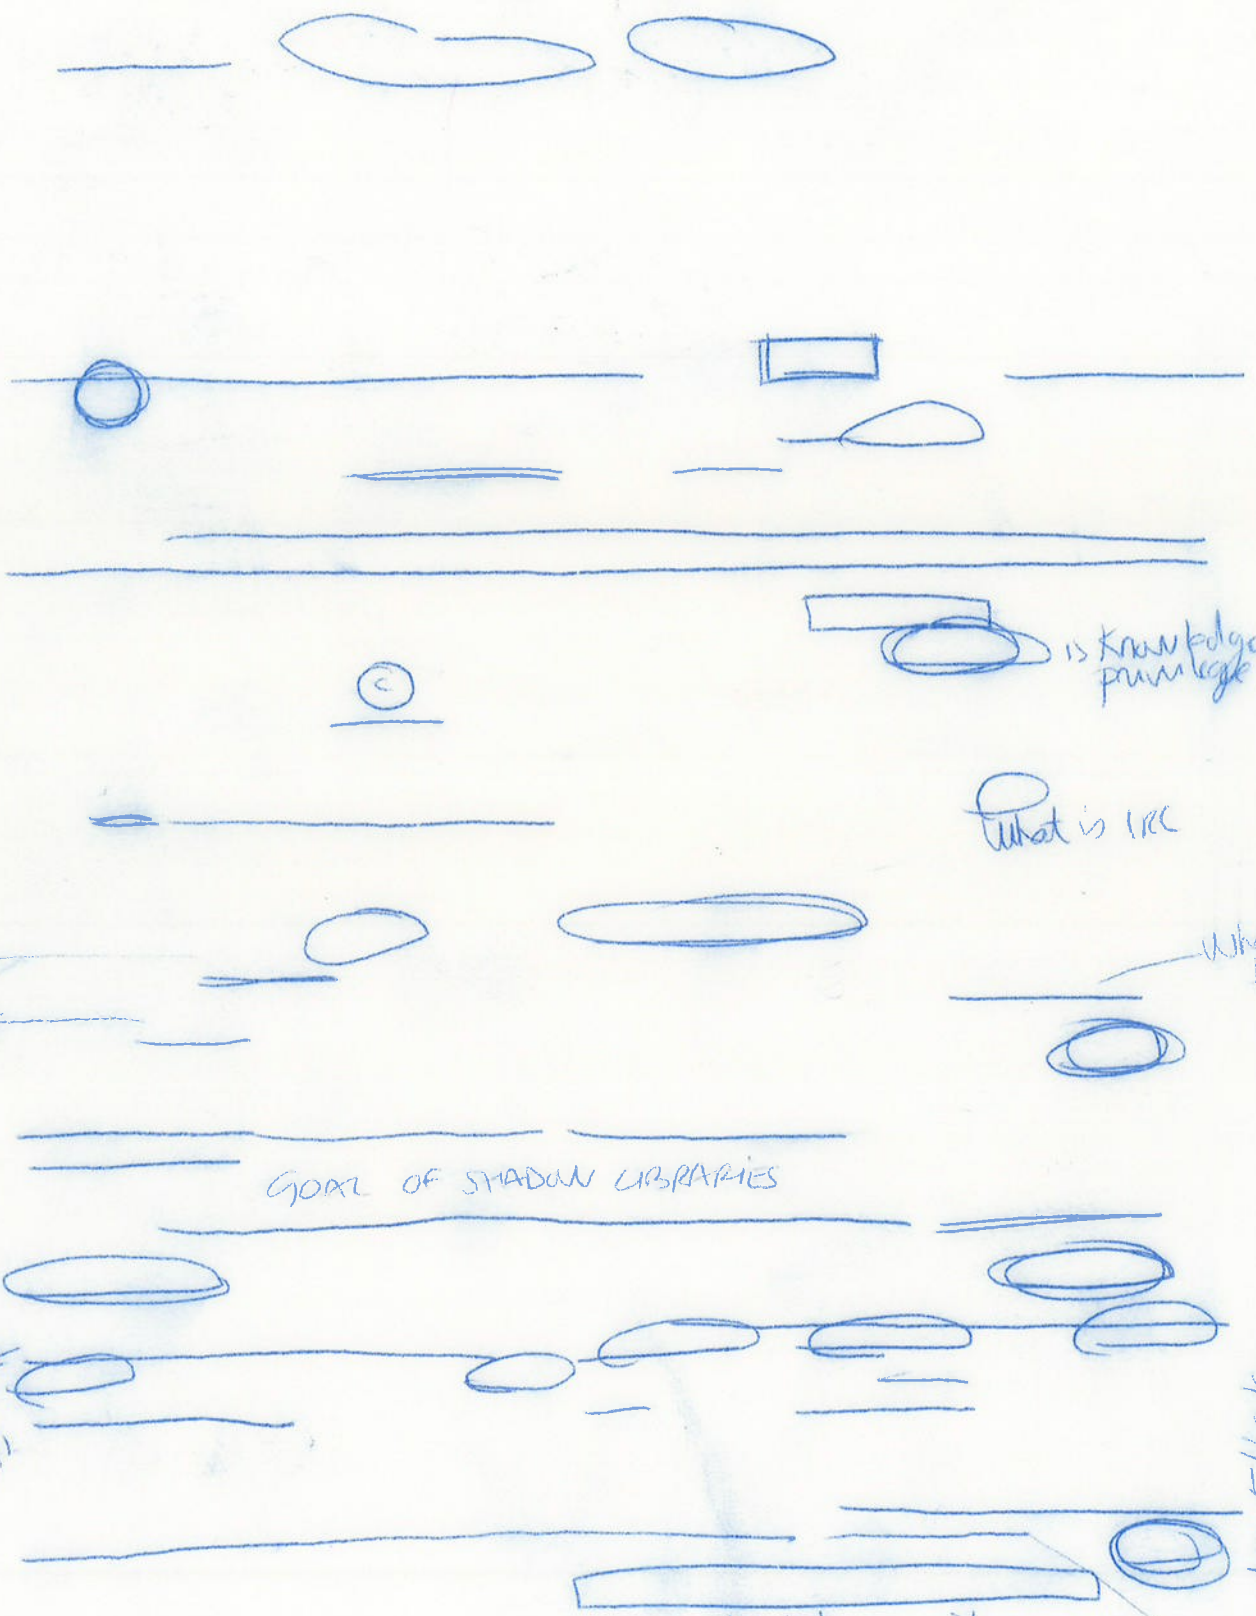

Who are they

GOAL OF SHADOW LIBRARIES

Why? because you are ruining their business!

!!!! is it moral??

virtual perpetuation

what changes knowledge when business took over?

danger what?? jurisdiction virtual

to say that univers has of pol and is a (ex/pt)

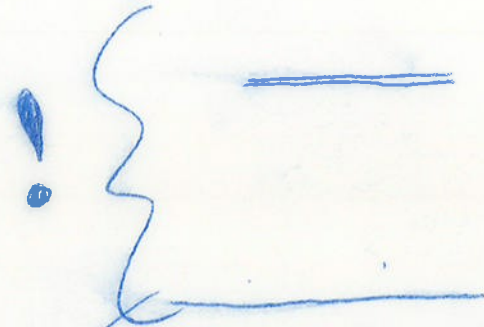

not to operate

by effect, specifically...

(and to interface with the Law is to...?)

public interest, ~~up~~ on pack? doesn't public interest lower accessibility? no free access by right, but access by exchange [money, prestige, etc.]

legitimacy comes from peers, not publishers. / publishers parasitizing peers

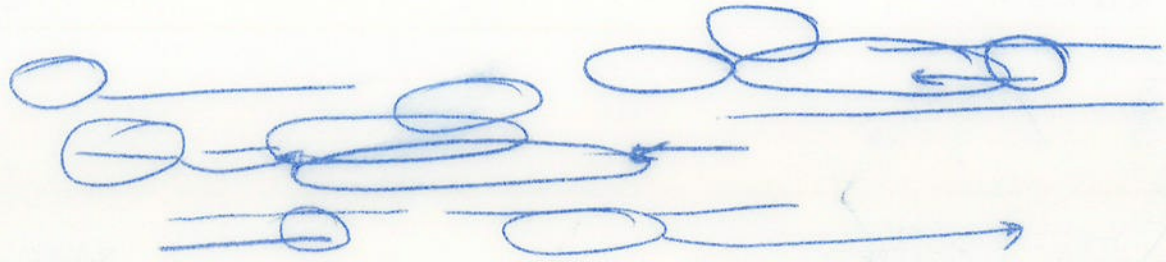

!?

WHAT ARE THE DIFFERENCE BETWEEN THEM?

Library Genesis vs Sci-Hub

ownership of knowledge  
Elsevier is Bad

Elsevier is taking someone else's knowledge into their own profit...

Elsevier Genesis

Science Hub Library

True → what do you mean by "horrible" take?

NOT TO make properly
